

QI FACIALS

Using an age-old diagnostic approach of meridian channels and key acupressure points, we have harnessed the ancient wisdom of finger pressure strokes to ease your facial knots! After all, we know your Qi spots.

Quickie Facial 30mins \$50

Busy bees, get your lunch-time facial fix with this effective, no frills treatment that clears up your skin in no time at all! Less is definitely more with this 30-minute wonder that cleanses, scrubs and masks your face to a truly happy ending.

Gua Sha Eye 45mins \$86

Late nights can take its toll, so say bye bye to headaches, persistent dark circles, eye bags and puffy eyes with this superb stimulating acupressure eye facial. Improve blood circulation around the eye region to relieve stress, tension and other strains. See eyes light up with a sparkle both outside and within.

Gua Sha Facial 75mins \$134

Just bearable pain with lots of gain! Our star facial gives an instant boost to lax facial muscles to help regain lost youth. Using gentle scraping methods to drain out toxins, we rev up your blood circulation to give your face that instant radiance! Actions speak louder than words. Va va bloom!

Custom Facial 75mins \$134

Let our esthetician assist you in choosing from seven treatments based on your individual skin type. Utilising a range of esoteric, natural ingredients that are high in vitamins and bioflavonoids, there's a solution for every complexion complication.

Ultrasound Facial 75mins \$162

If your skin is battling more than surface pains, go deep! This ultra-healing facial uses an ultra-sonic machine to reach deep into your skin to revive cell tissue, excrete skin waste and rev up skin metabolism. This hardworking treatment combats weak skin structure and dehydrated skin with customized botanicals loaded with anti-oxidants, multi-vitamins and collagen. A treat to boost, nourish and heal, this facial is exactly what your skin ordered.

O₂ Bubble Facial 90mins \$194

The powers of Epidermal Growth Factor (EGF) and oxygen come to life in this nourishing and rejuvenating facial. Oxygen is the key

to life, and combined with EGF, your skin cells receive a breath of freshness and skin emerges strengthened and renewed. A fun bubbling mask injects pure oxygen into your skin for that all-natural glow of health. Suitable for all skin types except those with serious acne.

Hydrodiamond Facial 75mins \$236

Is your skin constantly suffering from dehydration, acne and hyper pigmentation? Proving diamonds are every big girl's (and big boy's) best friend, this facial will polish dull skin for a stunning radiance. Using wet diamond technology to infuse skin with a pharmaceutical cocktail, this treatment detoxes and energises your complexion, resulting in skin that's super soft and smooth. Get ready to dazzle like the precious stone!

Good Vibes Facial 90mins \$268

Using Radio Frequency energy to reach deep into the sub-dermal layers of your skin, this efficacious treatment helps to tighten skin, battle wrinkles and seal open pores. Bask in this gentle facial as the warm, pain-free RF energy stimulates your blood circulation and expels toxins embedded deep within your skin, making you look younger and fresher instantly. You can call it a non-surgical face lift!

Royal Flush Facial [R] 90mins \$300

The full royalty treatment awaits with this top-of-the-line facial. Integrating three superior technologies in one, this facial is able to lift, tighten, smooth wrinkles and regenerate collagen in skin in a zippy. A three-course experience boosts circulation to clear toxins and firm up skin reducing breakouts, eye bags, double chins and water retention, while pigmentation and other unevenness in skin tone are royally refined. Metabolism is stimulated to fight slackening while an overall calming effect is achieved. A queen deserves the very best!

Glow Discovery Facial Peel 60mins \$480

Want to know what lies underneath? Discover your skin's radiance at its best with Qi Mantra's specially formulated facial peels. Our therapists will study your skin's needs to help you put your best face forward! Choose from 2 facial peels fortified to reveal renewed skin: one that targets troubled skin or another, which brightens your skin to let it shine in the spotlight.
