QI FACIALS

Using an age-old diagnostic approach of meridian channels and key acupressure points, we have harnessed the ancient wisdom of finger pressure strokes to ease your facial knots! After all, we know your Qi spots.

Quick Fix

Quickie Facial 30mins / \$45
Busy bees, get your lunch-time facial fix with this effective, no frills treatment that clears up your skin in no time at all! Less is definitely more with this 30-minute wonder that cleanses, scrubs and masks your face to a truly happy ending.

Qi Custom Facials

Custom Facial 75mins / \$125
Let our esthetician assist you in choosing from seven treatments based on your individual skin type. Utilising a range of esoteric, natural ingredients that are high in vitamins and bioflavonoids, there's a solution for every complexion complication.

Qi Gua Sha Facials

Gua Sha Facial 75mins / \$125
Just bearable pain with lots of gain! Our star facial gives an instant boost to lax facial muscles to help regain lost youth. Using gentle scraping methods to drain out toxins, we rev up your blood circulation to give your face that instant radiance! Actions speak louder than words. Va va bloom!

Gua Sha Eye 45mins / \$80
Late nights can take its toll, so say bye bye to headaches, persistent dark circles, eye bags and puffy eyes with this superb stimulating acupressure eye facial. Improve blood circulation around the eye region to relieve stress, tension and other strains. See eyes light up with a sparkle both outside and within.

Qi RF Facials

Good Vibes Facial 90mins / \$250
Using Radio Frequency energy to reach deep into the sub-dermal layers of your skin, this efficacious treatment helps to tighten skin, battle wrinkles and seal open pores. Bask in this gentle facial as the warm, pain-free RF energy stimulates your blood circulation and expels toxins embedded deep within your skin, making you look younger and fresher instantly. You can call it a non-surgical face lift!

Qi Hydrodiamond Facials

Hydrodiamond Facial 75mins / \$220
Is your skin constantly suffering from dehydration, acne and hyper pigmentation? Proving diamonds are every big girl's (and big boy's) best friend, this facial will polish dull skin for a stunning radiance. Using wet diamond technology to infuse skin with a pharmaceutical cocktail, this treatment detoxes and energises your complexion, resulting in skin that's super soft and smooth. Get ready to dazzle like the precious stone!

Qi Ultrasound Facials

Ultrasound Facial 75mins / \$150
If your skin is battling more than surface pains, go deep! This ultra-healing facial uses an ultra-sonic machine to reach deep into your skin to revive cell tissue, excrete skin waste and rev up skin metabolism. This hardworking treatment combats weak skin structure and dehydrated skin with customized botanicals loaded with anti-oxidants, multi-vitamins and collagen. A treat to boost, nourish and heal, this facial is exactly what your skin ordered.
